

ANGEL  
BEACH

A large, two-story building with a thatched roof and wooden frame, illuminated from within. The word 'ANGEL' is displayed in large, white, block letters across the front of the building. The letters are flanked by decorative starburst lights. Below the letters, a bar area is visible with several people standing behind the counter. In the foreground, a swimming pool reflects the lights from the building and the palm trees. A palm tree on the left is wrapped in a string of blue and white lights. A white canopy tent is visible on the far left. The overall scene is festive and brightly lit against the dark night sky.
